

Letter of Appreciation

Subject : Expansion Joints for FCC Reactor - Planned Outage 2012
Purchase Order no. : 3000065156
Project : FLEXICRACKING UNIT REACTOR, R-2201 REPLACEMENT
Location : Castellón Refinery
Date: : 03-july-2012

Dear Sirs,

We are writing you this letter as recognition for your Company's work on our recent project FCC Unit Reactor, R-2201 Replacement. We were very satisfied with the MACOGA's performance as a whole as well as exceptionally pleased with your Expansion Joints quality and staff skills.

The design, manufacturing and testing of the FCC Expansion Joints was completed in due time, and to the utmost quality. We will take note for future reference of the outstanding expertise your company has when looking for future requirements of FCC Expansion Joints.

Yours faithfully,

Juan Corró
