Dear Sir,

On behalf of the UOP Engineered and Fabricated plants group here in Des Plaines, IL, USA, I would like to convey our deep appreciation of Macoga's deliveries for the projects referenced above.

We are thankful for the professionalism and technical expertise that Macoga people showed on these two critical projects for UOP.

Please extend our special thanks to your Quality Department. They succeeded in keeping up with a very demanding customer.

UOP is a recognized worldwide leader in the oil industry and we expect a lot from our vendors. We were happy to see that Macoga was up to the task and delivered in terms of quality, schedule, and overall project execution.

We certainly look forward to repeating this collaboration in future jobs.

Best Regards,

UOP – A Honeywell Company
