Subject: Expansion Joints for FCC Reactor Internal Riser
Date: 26th September 2012
Project: FCC unit shutdown 2009
Location: Česka Rafinéra Kralupy Refinery
Description: FCC reactor internal riser expansion bellows DN 1350

Dear Sirs,

We are writing this letter in recognition of the work of your company on our FCC 2009 shutdown bellows replacement. Up to now the expansion joint is in successful operation, there are no problems, no signs of any deterioration.

Yours faithfully,
